People have different ideas about what's right and wrong. As I read things some people do, tell me whether you think each one is absolutely wrong under all circumstances, wrong under most but not all circumstances, wrong only sometimes, or not wrong at all...

**Driving over the speed limit.**

**Question:**

**Source:** Survey by the Gallup Organization, June 28-July 1, 2001.

**Road Worriers**

And compared to the past, have things gotten better, worse, or stayed the same?

**Gotten better**

Driving over the speed limit.

**Source:** Survey by Harris Interactive, August 10-14, 2000.

**She/He Drives Me Crazy**

I'm going to read you a list of generalizations that people sometimes make about men and women, and for each one I would like you to tell me whether you think it is mainly true or mainly false... Men are better drivers than women.

**Question:**

**Source:** Survey by Peter D. Hart Research Associates/Shell Oil Company, January 7-13, 2000.
