

Our Data Providers

...and More!

healthpolldatabase.org

Do you think the coronavirus is a real threat or blown out of proportion?

Sample: National adult (n=808)

Source: NPR/PBS NewsHour/Marist Poll; February 2020 Coronavirus. January, 2020. Roper Center at Cornell University
Interview Dates: January 31, 2020 - February 1, 2020

What We Offer

Built with support from the Robert Wood Johnson Foundation, the Health Poll Database makes finding and understanding health polling data easier for researchers at all levels, offering:

- Over 70,000 health-related opinion poll questions dating back to 1936
- Data from over 750 polling organizations
- Extensive search capabilities
- Innovative visual teaching tool to explore relationships across a broad range of health concepts
- Crosstabs breakdown demographic percentages such as, age, gender, race, and health insurance status
- Curated over-time trends that can be customized

*Explore what
10 million
Americans think
about health*

- Find polling questions with visual and traditional search tools
- Track changes over time
- Analyze question responses by demographics
- Discover relationships between concepts in health

Cornell University

Who Needs Health Poll?

- Journalist and media professionals
- High school teachers and students
- Health policy professionals
- Insurance, pharmaceutical, and biological research companies
- Community organizations
- Anyone who wants to understand how public opinion shapes public health

Social Determinants of Health

Has anyone in your own household ever been physically mistreated or abused by the police?

Finance and Cost

Do you think health insurance companies should or should not be permitted to charge higher premiums for people who are overweight?

Policy and Politics

Which political party, the Democrats or the Republicans, do you trust to do a better job... reducing the problem of illegal drugs.

Explore Health Topics Like These

Health Care Systems

Do you favor or oppose a proposal which calls for setting a ceiling on pain and suffering awards (in malpractice suits)?

Public Health

Have you ever looked online for information about immunizations or vaccinations?

Health Status Conditions and Behaviors

After reading the nutrition information (on foods you buy), what items do you try to avoid?

VISUAL SEARCH TOOL

Visual search tool allows users to explore the relationships between health concepts, learn about health topics, and access related polling questions in one click.

TRENDS

Trends show public opinion over time on a variety of health topics. Roper Center curates trends to ensure consistency and eliminate common mistakes. Users can customize a downloadable chart - or download the data to create their own.
